_____ bees. **2** go away. _____ bees are left.

_____ bees. **3** go away. _____ bees are left.

Religion / Wednesday

Watch the following clip about creation. This can also be found on the school Weebly.
<https://joeyswnghomelearning.weebly.com/creation.html>

Consider the following:

I wonder what the world would be like without the sun?

I wonder why God made all these things?

I wonder what there was before God made the world?

Create a drawing depicting different things that are in the sky, water and land.

Draw animals that live in the sky.

Draw animals that live in the water.

Draw animals that live on the land.
