$$5 + 3 = \underline{\quad}$$

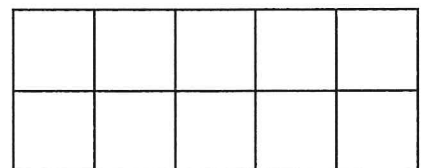

$$1 + 0 = \underline{\quad}$$

$$7 + 3 = \underline{\quad}$$

$$4 + 2 = \underline{\quad}$$

$$4 + 6 = \underline{\quad}$$

## Religion / Thursday

There are many stories about how things were created, such as plants and animals and various cultures have different ideas about how the natural world was created. Discuss how the Aboriginal people shared and told stories. Later these stories have been made into books for us all to enjoy and learn about the Aboriginal way of life and their beliefs. Listen to the story 'The Echidna and the Shade Tree' and discuss. This can be typed straight into Google – Click on the first book to listen to the story. Draw the main events in this story.
