Week C

Friday

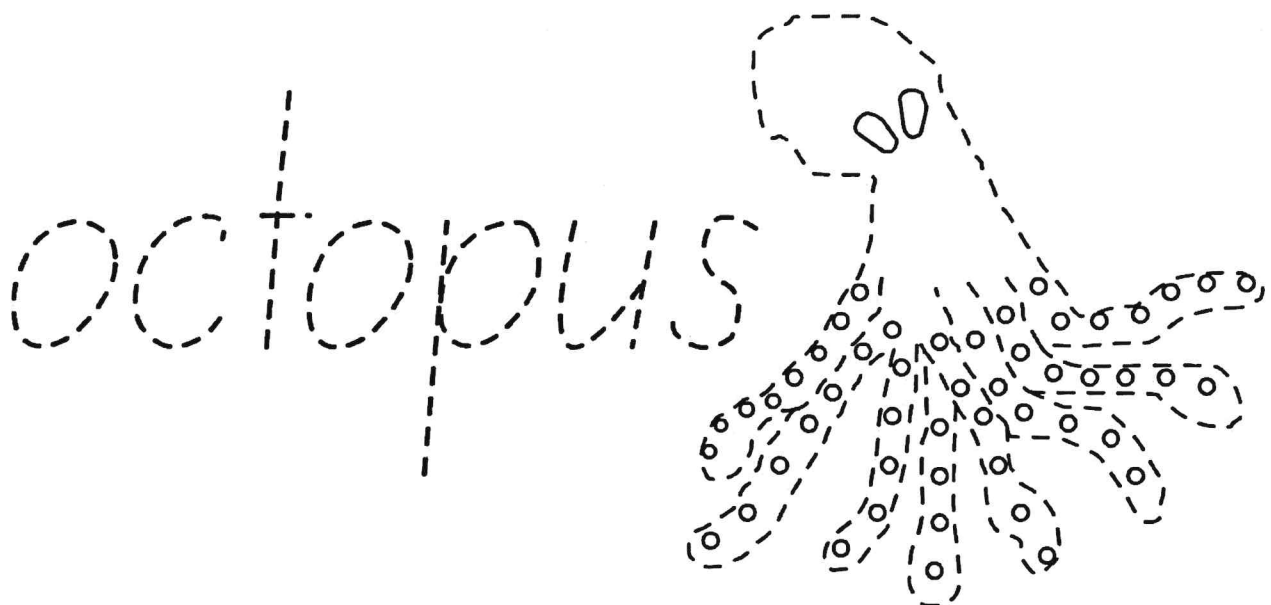

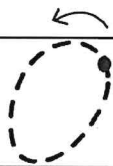

*Please follow Friday learning activities
on the grid.

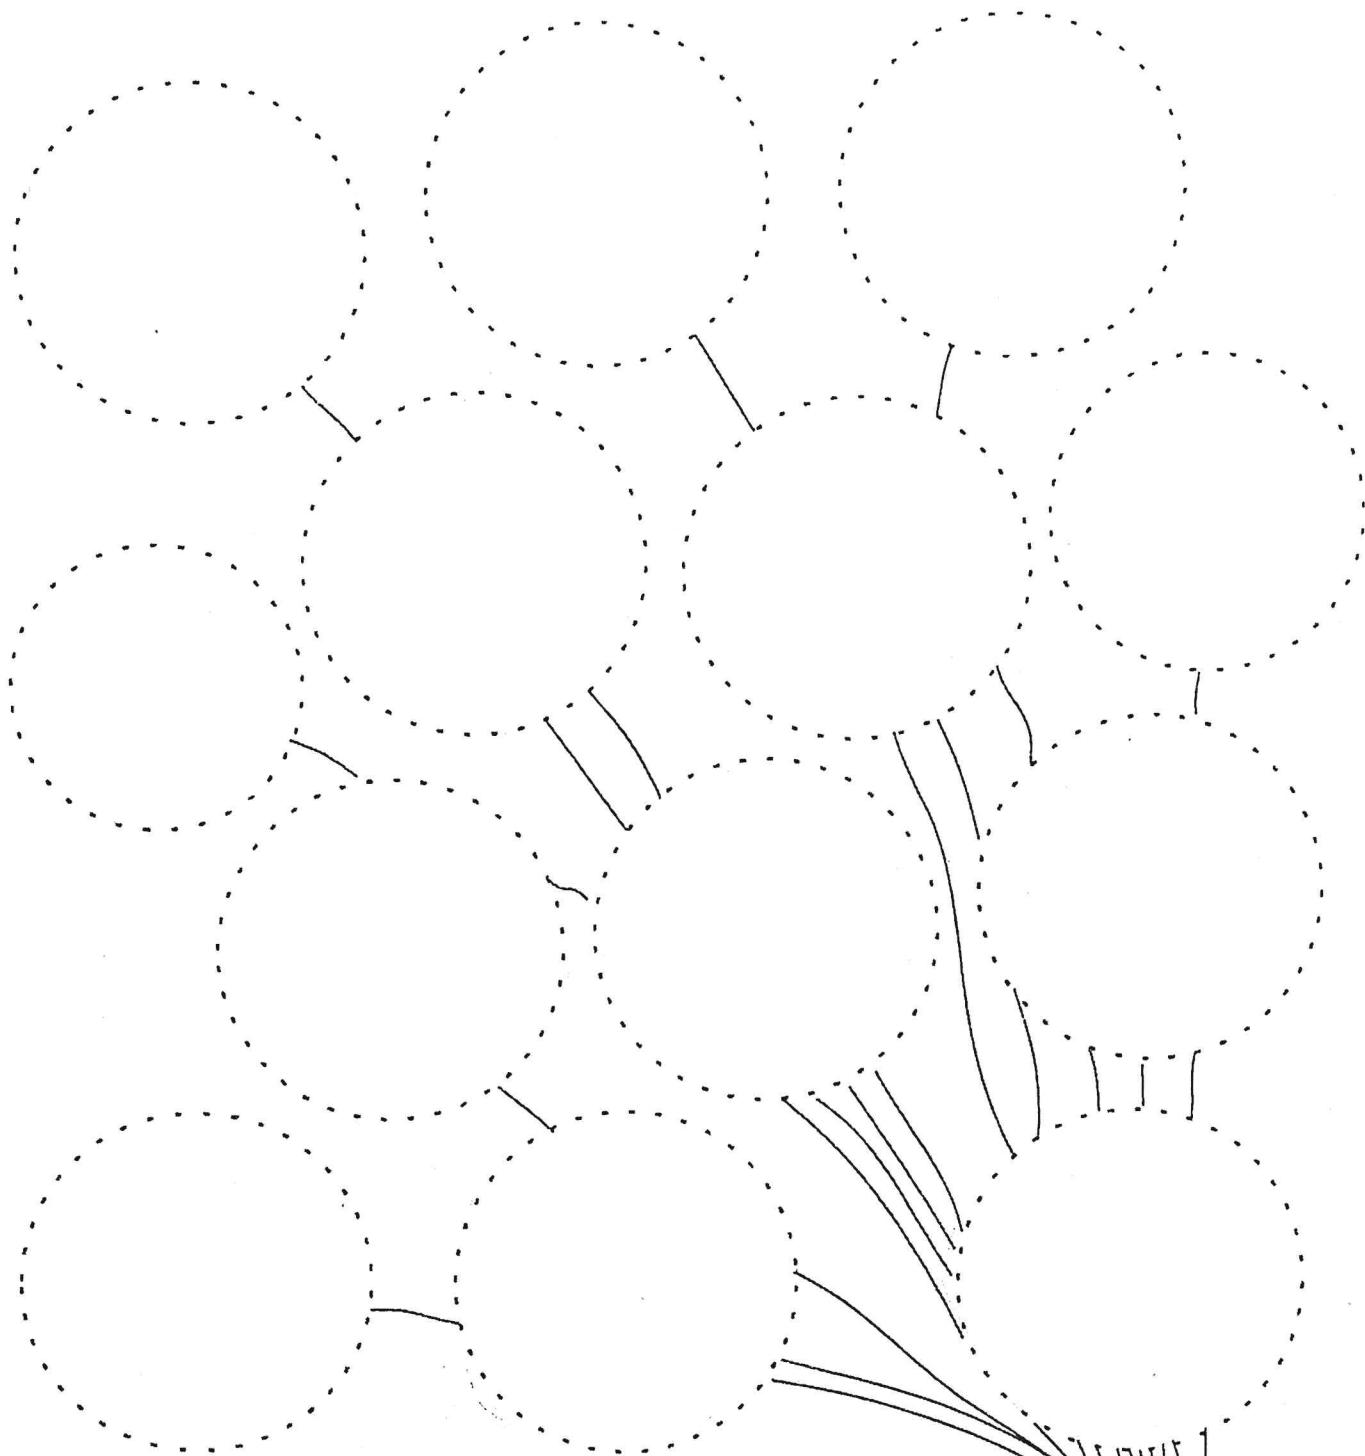

o

o

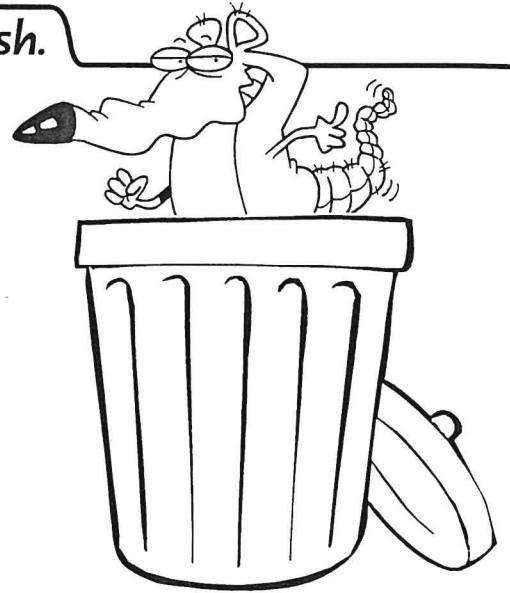

My name is:

Trace the sentence and draw some rubbish.

The rat is in the bin.

Unjumble the letters to make words.

het.....

ni.....

tar.....

si.....

hTe.....

nib.....

Write the sentence again.

.....

Find and trace the words from the sentence.

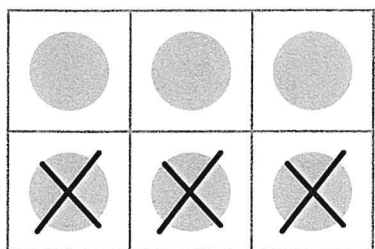

To The cat rat his is
dot in the dip bin lid

What does the rat like to eat? Finish the sentence.

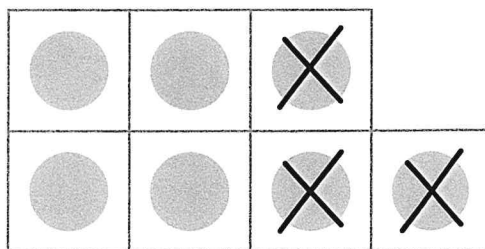

The rat likes to eat

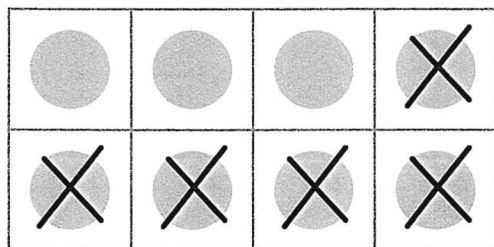

Write **take** and the number that is left.

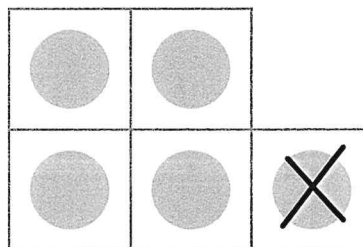

6 *take* 3 = ____

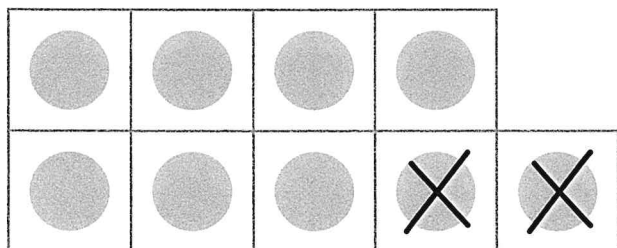

7 *take* 3 = ____

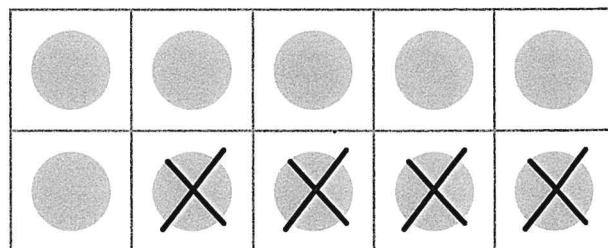

8 ____ 5 = ____

5 ____ 1 = ____

9 ____ 2 = ____

10 ____ 4 = ____

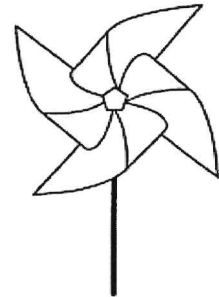

Religion / Friday

Task: Follow the instructions below to make a paper pinwheel.

MAKE A PAPER PINWHEEL

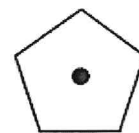

YOU WILL NEED:

- Scissors
- Glue Stick
- 1 x rubber eraser
- 1 x paper straw
- 1 x Pin (a map pin or thumb tac)
- 1 x Stopper (a rubber earring back, a seed bead or a Styrofoam ball)

INSTRUCTIONS

1. Colour in the front of your pinwheel and the small pentagon.
2. Cut along the black lines.
3. Glue each of the black dots into the centre.
4. Glue the pentagon on top, in the centre of the pinwheel.
5. Pinch one end of the paper straw to make it flat.
6. Lay the flat end of the straw on the eraser, and place the centre of the pinwheel on top of it.
7. Very carefully push your pin through all the layers of your pinwheel and the straw.
8. Pull the eraser off and put a stopper on the point of the pin.

A Pin Free Alternative

Use a medium paper fastener (split pin) instead.

Use a hole punch to form large holes on each dot. Fasten and open the split pin. Pinch the top of the paper straw together and cut a 1cm slit down the centre. Slide the split pin into the slit in the paper straw.
