## 2. Happiness

Sola was lazily sleeping by her favourite flower bed when she noticed a beautiful butterfly settling onto an iris close by her. The butterfly teased the sleeping cat, waking her up. Sola never liked to be disturbed when she was enjoying her mid morning siesta. She opened her eyes and looked disdainfully at the flying creature.

Christopher, the cat's owner, was playing a few metres away. He also spotted the pretty butterfly, and quickly ran to fetch his net. Creeping stealthily towards the border of irises, he swatted the butterfly, missing her and swatting the cat instead. Sola awoke again, and was even less tolerant than she had been before. The little butterfly flittered away gracefully.

Christopher, annoyed at not catching the insect, followed it all around the garden for over an hour. Exhausted, and unsuccessful, he lay down with his cat. Soon he fell asleep. The two of them slept peacefully for sometime.

On waking up, Christopher spied the dainty butterfly perched on his knee. He could just make out her beautiful markings on her back. They made a pattern like a word, which read 'Happiness'.

Christopher thought about this for a moment and a thought came to him: 'Chase after happiness and it will run away from you. Be patient, kind and caring and it will find you.'

Happily, Christopher hugged his cat and went back to sleep.
