

Daily Schedule

All activities should only take no more than 1 ½ hours per day. If you find that some activities are taking too long, it may be helpful to break the task up and finish it later. All activities are either in your booklets or available via web link. Remember this is a guide.

LEARNING FROM HOME!

Dear Students,

I know this is a strange time and you might be a little confused about learning from home. This feeling is completely normal. All staff at St Joseph's are working hard to try to help you in every way that we can. I may not be out in front of you in the classroom, however I am only a message or email away. We are very proud of the work that you have been doing at home and can not wait to see you again.

MY CHECKLIST
