

DAD: COMIC STRIP

Study these tips and tricks and use them to create a comic strip.

TIP #2 Panel Variety
Comics are made of panels - boxes full of words and pictures. There are lots of ways to draw them

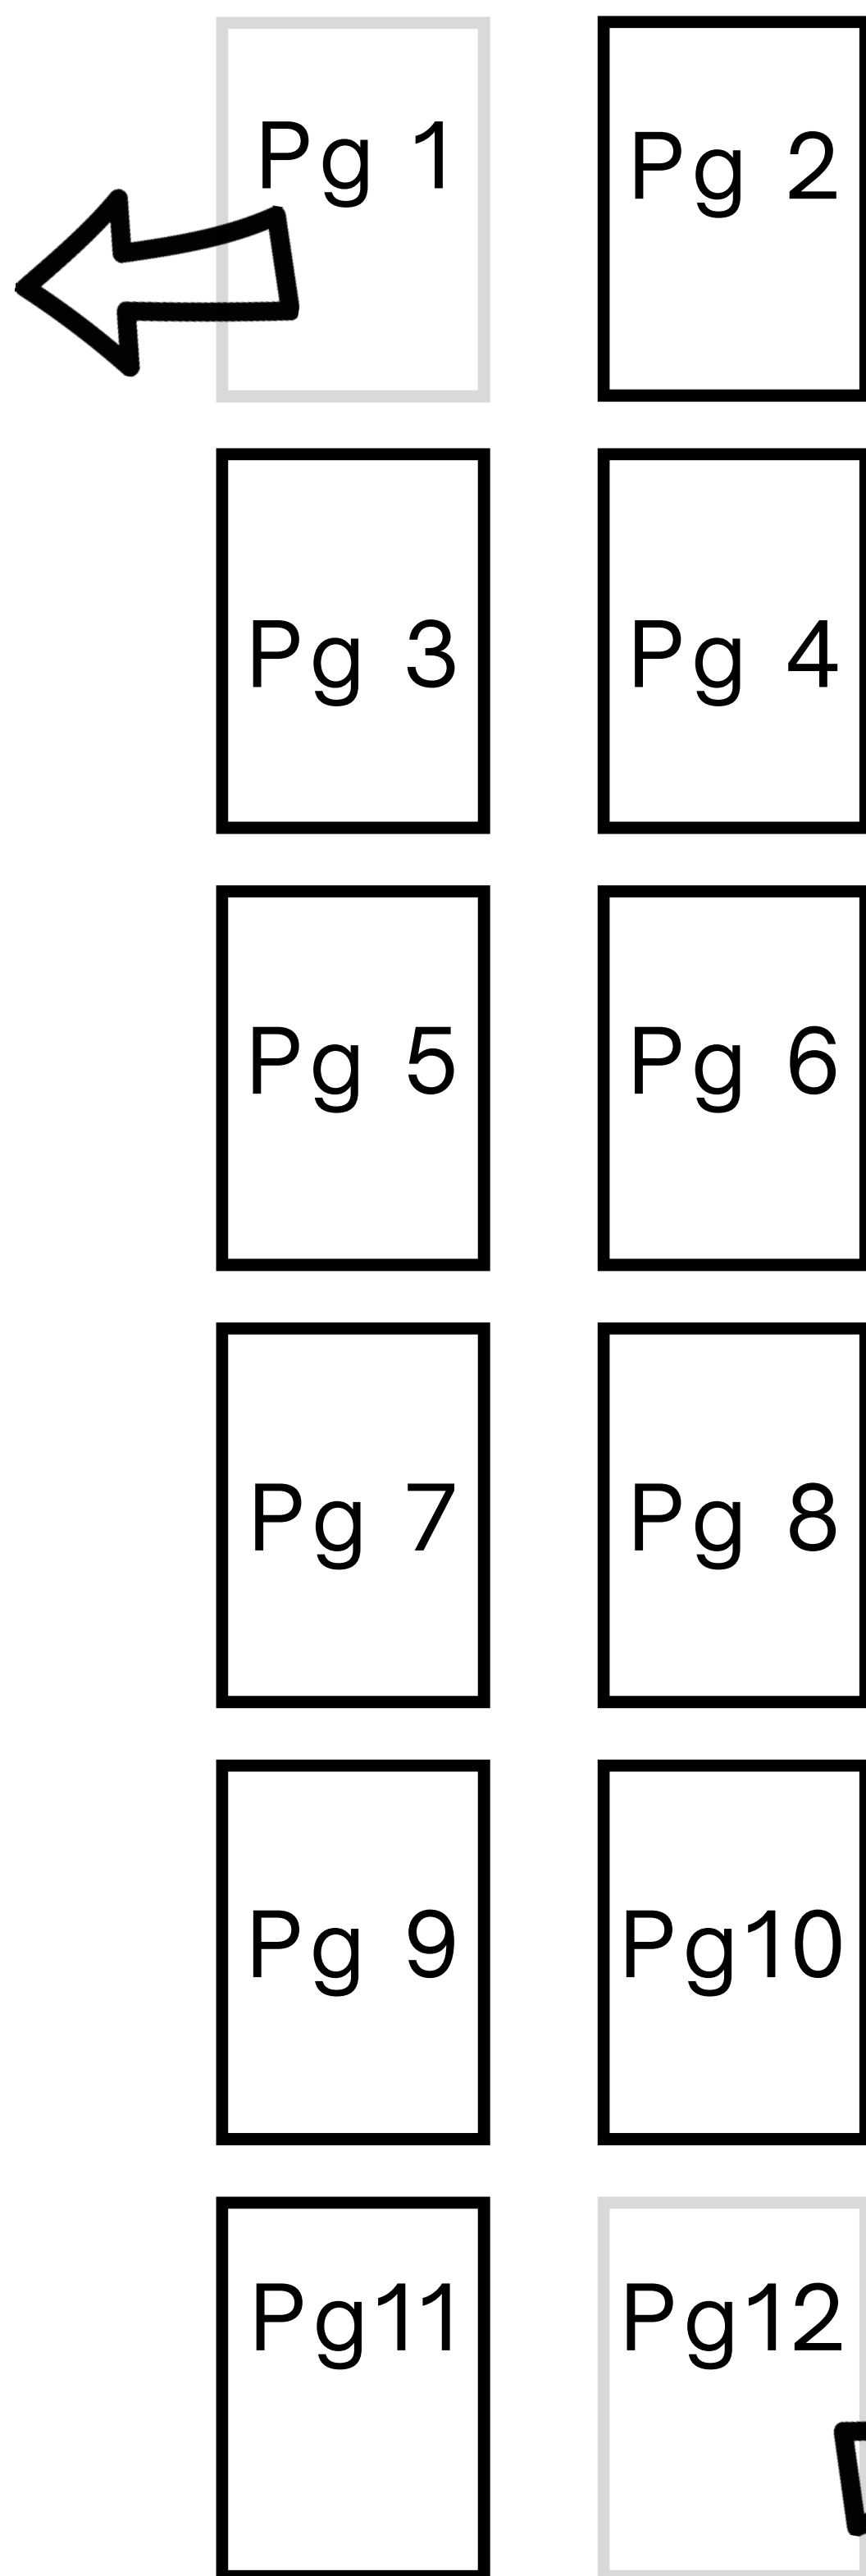

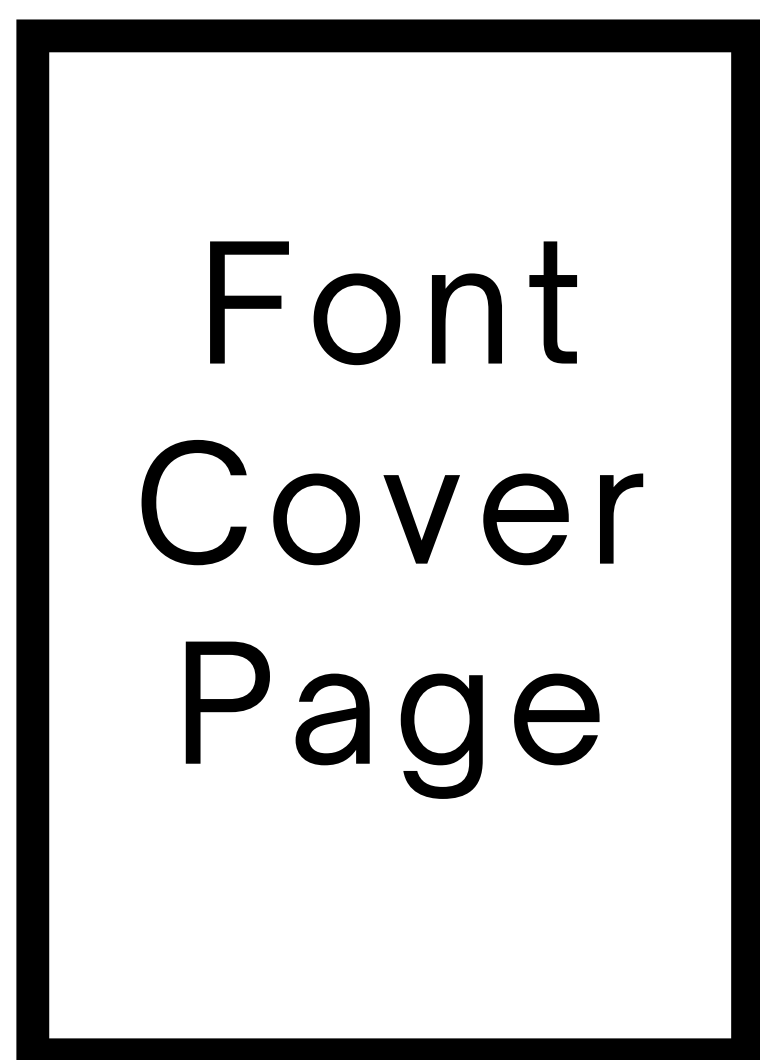

TIP #5 - Saving space.

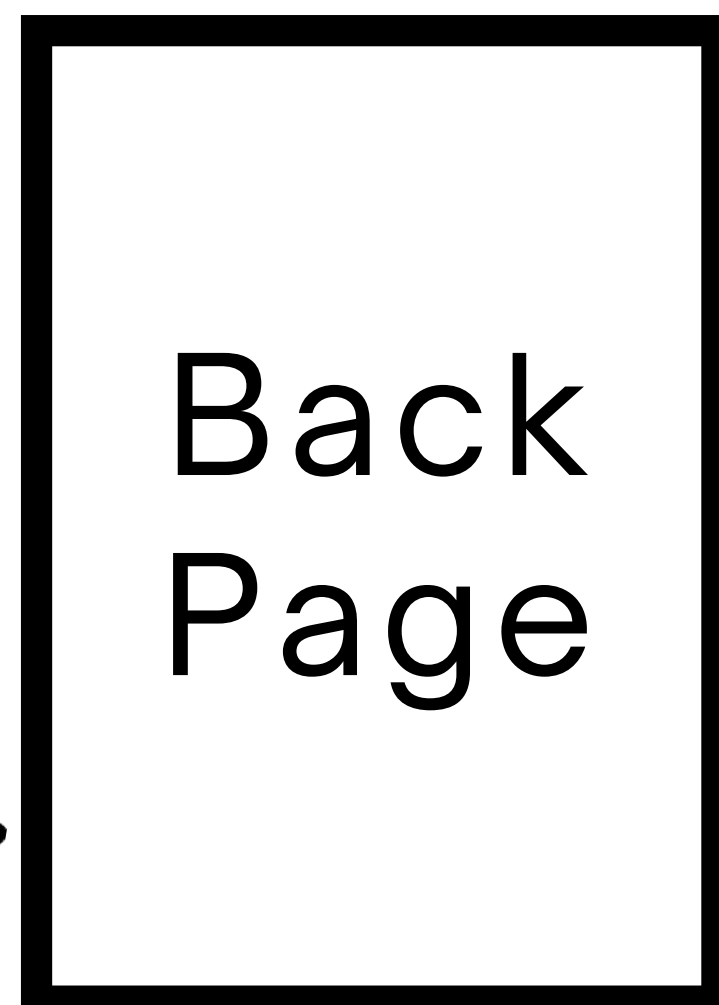

12 PG STORY BOARD

To help create your book, lay out each page like this to help plan the order of your story.

Left side of
your book
when open

Right side of
your book
when open

This is a card. Fold along this line.

Cut out and stick your favourite activities on this card to create an original Fathers Day card. This is the back of the card.
