Name _____

Christmas Tree

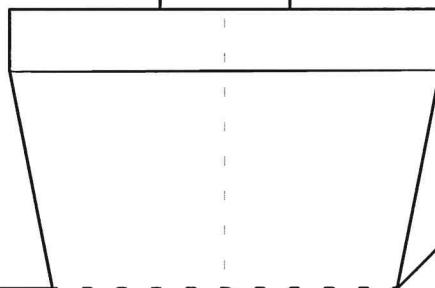

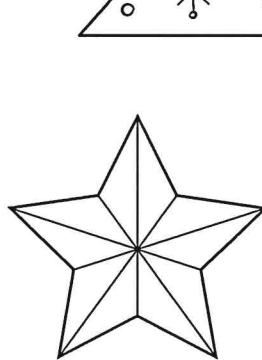

Circularama Template

Instructions

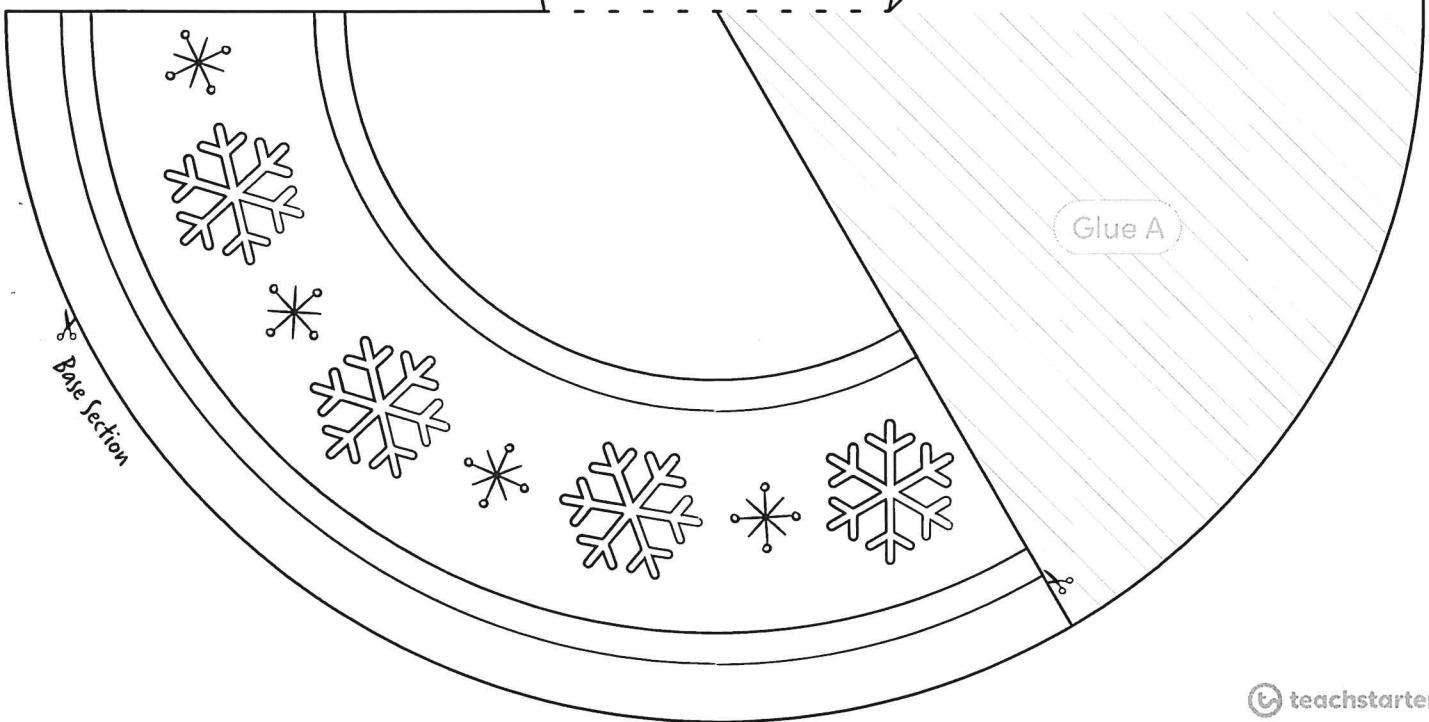

1. Colour the template.
2. Cut along the solid lines, including the line running in towards the base of the tree.
3. Fold along the dashed lines.
4. Overlap the 'Base Section' and the 'Glue A' section and stick together.

5. Combine this template with two other templates by sticking the back of the trees together.
6. Overlap the 'Glue B' section of a template with the 'Base Section' of another and stick together.
7. Attach a star to each side of the tree.

Glue B

Glue A
