

## Year 5 RE, Values – Home Learning, Week E

This document contains two learning experiences over two weeks. For these learning experiences there are a number of activities outlined.

**IMPORTANT: You do not have to do all the activities, pick one or two of the activities that will help your children learn about the learning intention.**

You may like to set up/change a little sacred space near your home learning area. Remember that it is now Easter. Use white and gold colours. Things you may like to include:

- Cross
- Bible
- Candle
- Holy picture

You may also like to draw a picture that you could place in this space if you have no pictures. Each day, before you begin your home learning, light a candle (with help from an adult) and say your school prayer, remembering that you are still part of the school and your friends and schoolmates are saying the prayer with you.

### Week E – “God’s oneness with creation through Scripture”

#### Learning Intention:

**Students will:**

***Understand that that all people should be valued and treated with dignity and respect***

### Reflection Journal

Summarise the main message in two words.

How do they reflect God’s desire for justice?

What advice do they give us for our every day actions for peace and justice?

What is your response to the big question?
