Dear Students,

I know this is a strange time and you might be a little confused about learning from home. This feeling is completely normal. All staff at St Joseph's are working hard to try to help you in every way that we can. I may not be out in front of you in the classroom, however I am only a message or email away. I am very proud of the work that you have been doing at home and can not wait to see you again.
