

Year 5 PD / Health – Home Learning, Week C

Week C – Real vs Online Friends

Learning Intention:

Students will:

- ✦ Understand the difference between real friends and online friends and understand how to treat each type of friend differently***

Following on from our current Unit of "Being Safe and Aware":

Describe characteristics of real and online friends to compare and contrast the two.

Then list three things you can do with real friends that you cannot do with online friends

And write 4 things you should never tell an online friend.

Real vs Online Friends – PD Health

1. Describe both real friends and online friends in 5 points:

Real Friends	Online Friends
